

IEMT 2020

BARCELONA, SPAIN | OCTOBER 16-18, 2020

MY STORY

IEMT aims to provide a forum for researchers, practitioners, and professionals from the industry, academia and government to discourse on research and development, professional practice in industrial engineering and manufacturing technology. Welcome scholars and researchers working in the field of industrial engineering and manufacturing technology from all over the world to attend the conference and share your experiences and lessons with other enthusiasts, and develop opportunities for cooperation. IEMT is organized by Journal of Industrial and Intelligent Information. The conference also serves to bring authors and readers of JIII to communicate face to face and discuss the hot topics in the related area.
